

Scholar Checking

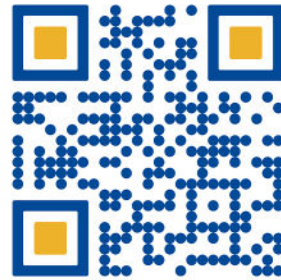

Scholar Checking is available to all students aged 13 to 23. This is a simple and 'smart' way to learn about personal checking. Especially valuable to students still living at home so parents can help, if needed. Students will also have a personal savings account to learn to save. An adult over 18 is required as a joint owner.

Savasaurus Club

Experience a better way to bank.

Sammy is a very special dinosaur - he's a Savasaurus! He thinks saving money is fun! You will too, when you join the Savasaurus Club at Interstate Credit Union.

Sammy the Savasaurus Makes Saving Fun!

Interstate Credit Union offers the Savasaurus Savings Account to all young members age 12 and under to encourage good saving habits. Kids learn how to use the Credit Union and save money by earning Savasaurus Money. They redeem prizes with their saved Savasaurus Money. Ask Interstate Credit Union about available prizes.

The Savasaurus Club will help you:

- Learn how to save money
- Learn how to use the Credit Union
- Earn special Savasaurus prizes

You will earn Savasaurus points every time you...
