**State Laws & Jurisdiction/Venue:** Unless this Agreement or expressly applicable law provides otherwise, the laws of the State of Georgia shall govern and control your agreements with us, including the interpretation of any terms or conditions or applicable jurisdiction or venue. For the purposes of jurisdiction and venue as explained in the Membership Account Agreement and Disclosures, the Credit Union's principal office is located in Wayne County in the State of Georgia.

**Costs, Expenses and Attorneys' Fees ALL ACCOUNTS / SERVICES.** All owners of account(s) or service(s) with us agree, jointly and severally, to pay us for all costs and expenses, including attorneys' fees we may incur: (1) If it is necessary for us to bring any legal or other action to collect any sum you owe the Credit Union; (2) If we incur any costs or expense as a result of any order or instruction received from any owner or any owner's agent under this Agreement, any adverse claim, legal process; your failure to comply with any obligation in this Membership Agreement or otherwise; (3) If we incur any expense as a result of any dispute, adverse or inconsistent claims; (4) If we bring any action contemplated in this Agreement; (5) If we successfully defend any claim against the Credit Union brought by any owner, agent, personal representative, executor, heir or other party in interest brought via any formal or informal process (including but not limited to arbitration or mediation) involving your accounts or services with us; or (6) If we deem it necessary to seek the advice or opinion of legal counsel or other professionals regarding the bona fides or legality of any transaction(s) to/from your accounts or involving any services with us, or any request for information or documentation regarding any of your accounts and/or services with us. If you are responsible to pay us any costs of collection or legal expenses incurred in collecting any amount you owe; in enforcing or protecting our rights under this Agreement or otherwise; or as provided in this subsection, including but not limited to costs of repossession, repair, appraisal, and all other costs or expenses, you agree to pay us the actual amount of such costs and expenses together with reasonable attorneys' fees. In the case of any collection action you agree that 20% of the unpaid balance or such greater sum as may be appropriate based on the circumstances shall be a reasonable amount, unless applicable law specifically provides otherwise. Further, you agree to pay the Credit Union an additional sum for any costs, legal expenses or attorneys' fees incurred in any appellate, bankruptcy or post-judgment proceedings, except as limited or prohibited by applicable law. Any costs, expenses or fees hereunder will be paid from any of your account(s) with the Credit Union before payment to any owner or other party. If the amounts in your account(s) are not sufficient, then the owner(s) of the affected account(s) or parties to any applicable services will immediately pay any difference.

The rates and fees appearing in this schedule are accurate and effective for accounts as of the Last Dividend Declaration Date indicated on this Rate and Fee Schedule.

\*A fee will be imposed for overdrafts created by share drafts, ACH, Point-of-Sale, ATM withdrawals, in-person withdrawals, or by other electronic means. Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. We generally post items in the following order: 1) credits, 2) ATM and debit card transactions (in the order received), 3) ACH debits (low to high by dollar amount, 4) checks (check number order); however, exceptions will occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of fees assessed. Interstate Credit Union will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s). ATM and everyday debit transactions will not be covered unless the member consents to extended coverage.

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share or share draft accounts.

- Rate Information.** The dividend rate and Annual Percentage Yield ("APY") on your accounts are set forth in the Truth-in-Savings Act Rate and Fee Schedule ("Schedule") provided above. The dividend rate and APY may change each dividend period as determined by the Credit Union's Board of Directors.
- Compounding and Crediting.** Dividends will be compounded and will be credited as set forth in the Schedule. The Dividend Period ("period") for each of your accounts is set forth in the Schedule. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period. If your account is closed or you make a withdrawal during a dividend period before dividends are credited, you may not receive accrued but uncredited dividends.
- Balance Information.** Any minimum deposit to open an account and the minimum average daily balance you must maintain to avoid service fees and to earn the annual percentage yield stated for your account is set forth in the Schedule. Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in your account for the Period. The average daily balance is calculated by adding the balance in your account for each day of the Period and dividing that figure by the number of days in the Period. Accounts with Minimum Balance Requirements: If you fail to maintain the minimum balance required to earn the dividend rate and annual percentage yield for any account as set forth in the Schedule, then you will not earn the dividend rate and annual percentage yield for the period in which you do not meet this requirement.
- Accrual of Dividends.** Dividends will begin to accrue on the business day we receive provisional credit for the deposit of noncash items (e.g. checks) to your account. Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account.
- Transaction Limitations for All Share Savings Accounts.** Limitations are set forth in the first Section of this Booklet entitled "Membership, Accounts and Account Services Agreement." **Additional Limitations for IRA Savings Accounts:** You are solely responsible for complying with any requirements including transaction limitations and penalties for early withdrawal under the Internal Revenue Code or other applicable Federal or State law governing any IRA or other Credit Union accounts. Deposits are not limited. Transfers to a Credit Union IRA Certificate are allowed subject to applicable law; and the minimum balance requirements and other restrictions applicable to the Certificate Account.
- Excessive Transactions.** For Regular Share, Money Market, Clubs, Savasaurus Club, and IRA Share Accounts, there are no limitations for preauthorized, automatic, or telephone transfers made from these accounts to another account of yours or to a third party in any month, and no limitations for transfers made by check, draft, or debit card to a third party. For Checking accounts, no account limitations apply.

## COMMON FEATURES OF ALL ACCOUNTS

1. **Nature of Dividends.** The Credit Union pays dividends from current income and available earnings, after required transfers to reserves at the end of the dividend period, thus dividends are not guaranteed. The Dividend Rate and Annual Percentage Yield set forth in the Schedule are prospective rates and yields the Credit Union anticipates paying for the applicable dividend period.
2. **National Credit Union Share Insurance Fund.** Member accounts in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.
3. **Limitations on Maximum Shares Held by One Member.** The Credit Union's Board of Directors may limit the maximum amount of shares one member may hold by resolution, which they may set or change from time to time.
4. **Transfer and Assignment.** OWNERSHIP OF AN ACCOUNT IS NOT TRANSFERABLE WITHOUT THE WRITTEN CONSENT OF THE Credit Union. The Credit Union may, before giving its consent, use any of the funds in this Account to repay any debt due it from any named Account owner. Your Accounts may be pledged to secure your existing or future obligations owed to this Credit Union.
5. **Fees and Charges.** The fees and charges set forth in the Schedule may be assessed against your account(s).
6. **Par Value Requirements.** The Par Value of a membership share, which must be fully paid to become a member or maintain membership or to receive and maintain any accounts or services with us is set forth in the Schedule. The sum of your membership share shall be paid into and retained in your share savings or other appropriate account.
7. **Transaction Limitation on All Accounts.** No member may withdraw any amount on deposit below the amount of their primary or contingent liability to the Credit Union if they are delinquent as borrower, co-maker, or guarantor, without the Credit Union's written permission. Further, if your account(s) are pledged to us to secure any loan obligation, then you must pay, or, with our permission, renew the loan before any principal or dividends may be withdrawn or transferred. If we allow you to renew a loan secured by such a pledge, you may be required to renew any pledged account or leave the funds on deposit with us until the loan is paid or we specifically release the funds.
