TRUTH-IN-SAVINGS DISCLOSURES AND RATE AND FEE SCHEDULE

The rates and fees appearing in this schedule are accurate and effective for accounts as of the Last Dividend Declaration Date indicated on this Rate and Fee Schedule. Rates may change after account is opened without notice. Although dividends are based on the Credit Union's earnings at the end of each dividend period and cannot be guaranteed, the Credit Union projects sufficient earnings to pay these projected rates. Fees could reduce earnings on the account. Transactions to/from any accounts may be limited until id verification of all applicable persons is completed.

*A fee will be imposed for overdrafts created by share drafts, ACH, Point-of-Sale, ATM/ITM withdrawals, in-person withdrawals, or by other electronic means. Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. We generally post items in the following order: 1) credits, 2) ATM/ITM and debit card transactions (in the order received), 3) ACH debits (order received), 4) checks (check number order); however, exceptions will occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of fees assessed. Interstate Credit Union will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s). ATM/ITM and everyday debit transactions will not be covered unless the member consents to extended coverage.

Except as specifically described, the following disclosures apply to all the accounts. All accounts described in this Truth-in-Savings Disclosure are share or share draft accounts.

1. **Rate Information.** The dividend rate and Annual Percentage Yield ("APY") on your accounts are set forth in the Truth-in-Savings Act Rate and Fee Schedule ("Schedule") provided above. The dividend rate and APY may change each dividend period as determined by the Credit Union's Board of Directors.
2. **Compounding and Crediting.** Dividends will be compounded and will be credited as set forth in the Schedule. The Dividend Period ("period") for each of your accounts is set forth in the Schedule. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period. If your account is closed or you make a withdrawal during a dividend period before dividends are credited, you may not receive accrued but uncredited dividends.
3. **Balance Information.** Any minimum deposit to open an account and the minimum average daily balance you must maintain to avoid service fees and to earn the annual percentage yield stated for your account is set forth in the Schedule. Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in your account for the Period. The average daily balance is calculated by adding the balance in your account for each day of the Period and dividing that figure by the number of days in the Period. Accounts with Minimum Balance Requirements: If you fail to maintain the minimum balance required to earn the dividend rate and annual percentage yield for any account as set forth in the Schedule, then you will not earn the dividend rate and annual percentage yield for the period in which you do not meet this requirement.
4. **Accrual of Dividends.** Dividends will begin to accrue on the business day we receive provisional credit for the deposit of noncash items (e.g. checks) to your account. Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account.
5. **Transaction Limitations for All Share Savings Accounts.** Limitations are set forth in the first Section of this Booklet entitled "Membership, Accounts and Account Services agreement." **Additional Limitations for IRA Savings Accounts:** You are solely responsible for complying with any requirements including transaction limitations and penalties for early withdrawal under the Internal Revenue Code or other applicable Federal or State law governing any IRA or other Credit Union accounts. Deposits are not limited. Transfers to a Credit Union IRA Certificate are allowed subject to applicable law; and the minimum balance requirements and other restrictions applicable to the Certificate Account.
6. **Excessive Transactions.** For Regular Share, Money Market, Clubs, Savasaurus Club, and IRA Share Accounts, there are no limitations for preauthorized, automatic, or telephone transfers made from these accounts to another account of yours or to a third party in any month, and no limitations for transfers made by check, draft, or debit card to a third party. For Checking accounts, no account limitations apply.
